0822 2559 6862 nuroziqahmad01@gmail.com, Cilacap, Central Java, Indonesia

PROFILE

I am graduate of Informatics in Nahdlatul Ulama Al Ghazali University, Cilacap. I am highly adaptable, growth-oriented, and eager to continuously learn in dynamic environments.

As a Enthusiast Frontend Developer, I focus on building responsive, user-friendly, and visually appealing web interfaces. I have experience in UI/UX design into functional web applications using modern technologies, ensuring optimal performance across devices and browsers. I am also familiar with managing code efficiently, collaborating with teams, and continuously improving user experience through clean and maintainable code. I am passionate about staying up to date with the latest frontend trends and technologies, and i am committed to delivering high quality digital products that meet both user needs and business goals.

EDUCATION

Nahdlatul Ulama Al Ghazali University, Cilacap, Central Java

2020 - 2025

INTERNSHIPS & WORK EXPERIENCE

Internship & Certified Independent Study Program

August - December 2023

UI/UX Designer

PT. Impactbyte Teknologi Edukasi, Jakarta

- Conducted user research through literature studies and digital content analysis, and translated insights into user-centered design solutions.
- Created wireframes, mockups, and prototypes to visualize design concepts and user flows.
- Designed user-friendly and visually appealing mobile application interfaces using tools such as Figma.
- Improved user experience by analyzing feedback, iterating designs, and maintaining consistency in the design system (colors, typography, and components).
